KIMAX® New Lab Startup Grant Program

KIMAX® New Lab Startup Grant Program

- \$1000 grant to be awarded each month in 2012
- Grants awarded in the form of FREE Kimble Chase glassware
- No purchase necessary to participate
- See www.kimble-chase.com/grant.html for more details

Whether you're a promising new scientist or an established researcher, Kimble Chase would like to support your research initiatives by awarding KIMAX® New Lab Startup Grants to researchers starting new labs. These \$1,000 grants will be awarded monthly to assist new labs looking to stock their facility with high-quality, high-performance glassware. Grants will be awarded in the form of Kimble Chase laboratory products having a total value of \$1,000 per grant. No purchase necessary. See the web for official rules and the pdf application.

Deadline for submission is the last business day of each month. Winners will be posted to the web site by the 15th of the following month.
